

Composite Conference

Advances in Composite Structures and Materials

2 & 3 October 2018
Liège, Belgium

Call for abstracts

Dear Sir, dear Madam

It is our pleasure to invite you to participate in the **2018 COMPOSITE CONFERENCE, Advances in Composite Structures and Materials** that will take place on **October 2nd and 3rd, 2018** in **Liège, Belgium**.

The 2-day Conference will bring together industry innovators, technology providers, researchers, economic promoters and other actors of the Composite Industry from all across Europe.

The conference, organised by Centexbel, the Belgian Textile Competence Center, will cover a wide variety of topics that will provide an excellent insight into state-of-the-art composite developments.

During the first edition of the Composite conference that will take place in the Walloon Region, located in the heart of Europe, an international public will be able to discover the dynamics of regional companies in this highly technological domain.

We cordially invite you to participate as a speaker and to send us your CV and an abstract of your lecture proposal on one of the following thematic topics:

Composite materials

- High performance fibres (CF, aramides, basalt)
- Biosourced materials (fibres, rovings, matrix)
- CFRP/FRP (fibre reinforced plastics)
- Other related topics

Composite recycling

- Separation
- Treatment
- Valorisation
- Other related topics

Composite manufacturing processes

- Structural reinforcements (braiding, weaving,...)
- Moulding (RTM, SQRTM, vacuum Infusion,...)
- Pull-trusion
- Other related topics

New applications for composites in lightweight structures

- Automotive
- Aeronautic
- Energy
- Transport
- Building
- Consumer products (sports articles, bikes)

Modelisation/Simulation tools

- Quality control and non-destructive testing

Important Dates

Submission of selected conference papers	April 1, 2018
Final Conference agenda	April 15, 2018
Last day for early registration	July 1, 2018
Last day for registration	September 15, 2018
Conference	October 2&3, 2018

The call for abstracts is now open

You are kindly invited to submit your conference abstract (200-500 words) and your curriculum vitae by e-mail to dominique.sacre@centexbel.be

Download the abstract template on www.centexbel.be/agenda/international-conference-on-composites

We thank you for your interest and for your cooperation that will turn the 2018 Composite Conference into a success.

If this invitation is not meant for you and/or if you happen to know other persons who might be interested in receiving this invitation, we would be very grateful if you would inform us about it.

Best regards,

Mr. Bernard Paquet | bernard.paquet@centexbel.be | +32 4 296 82 38
