

Third Conference on

INNOVATIONS IN TEXTILES FOR HEALTHCARE

25 April 2019 - Holiday Inn Express Gent, Belgium

Following the success of both previous conferences, Centexbel now organises - in collaboration with Fedustria and POM West-Vlaanderen - its third conference on Innovations In Textiles For Healthcare.

The conference addresses both the textile industry and the health care sector. The intense co-operation and co-creation between these sectors result in market developments with a distinct social and economic added value.

ORGANISED BY

Centexbel - textile and plastics competence centre
www.centexbel.be

SUPPORTED BY

Fedustria

Third Conference on

INNOVATIONS IN TEXTILES FOR HEALTHCARE

25 April 2019 - Holiday Inn Express Gent, Belgium

B2B MEETINGS

During the conference Centexbel organises business-to-business contacts where you have the opportunity to meet potential partners.

For the organisation of the B2B meetings we use the tool 'PITCH and MATCH'.

Some days before the event you will receive an invitation and your personal 'log in' to complete your profile. Afterwards you can request B2B meetings with the speakers and the participants.

CENTEXBEL POSTER AWARD 2019

Scientists and researchers are invited to submit scientific posters of their research activities and results within the scope of the conference.

The poster show will be accessible during breaks and lunch.

The scientific posters will be briefly presented to the conference audience just before the first break.

During the poster sessions, a jury will select the award winning poster. All scientific posters are reviewed and rated on the basis of their scientific quality, clarity and impact. The highest scoring scientific poster will be announced during the closing lecture.

PROMOTE YOUR PRODUCTS & SERVICES

Unique opportunity to present your company to an international audience of interested people and organisations. All breaks will take place in the exhibition area guaranteeing repeated exposure to your target public.

The conference organisation offers two promotion packages:

- 300 euro promotion package: publication of your corporate logo
- 800 euro promotion package: publication of your corporate logo + promotion stand
